

# Not Sure How to Get Started?.....It's Easy!

## Simply Follow Our Step by Step Guide -

### • Step 1

#### Pre- Site Preparation

- Remove all vegetative matter.
- Remove all rubbish and debris (*building rubble, cement and other materials*).
- Allow for a drainage management system within the turfed area (*have a plan as to where any excess water will flow to*).
- All underground infrastructure is to be clearly defined and marked to the preparation team, *if this is not done damage may occur and is the responsibility of the land owner*

### • Step 2

#### Preparation

- Depending on the size of the area organize a Bobcat, Dingo or Hard workers to help prepare the sight for turf!
- Incorporate a **minimum of 50 mm of topsoil** throughout the entire area.
- The topsoil should be specified as *Screened ORGANIC Turf Underlay Soil*.
- The spreading of the soil needs to create the desired landscape (*flat and level or undulating hills depending on the desired result*).

**\*Note – any undesired rises or falls will be magnified by the turf and may result in drainage problems.**

- To ensure the turf and any hard-scape areas are flush the topsoil should be approximately **25mm below the hardscape height**. (*hardscape = concrete*)

### • Step 3

#### Pre - Installation

- Water retention products are recommended. *\*Water Crystals are included in our Gold Installation Packages and are also available for purchase through our Office.*
- A slow release organic fertiliser is recommended to be spread evenly over the area to be turfed. *\*Organic Fertilizer is included in the price of Silver, Gold and Platinum Turf Installation Packages or alternatively is available for purchase through our Office at \$25.00 / 25kg bag.(25kg per 100m<sup>2</sup>)*

**\*Note – DO NOT USE chemical fertilizers underneath your new turf! They have too much nitrogen and burn the turf**

### • Step 4

#### Arrange Delivery of your new turf Through Coastal Turf

- Call our Office on **1300 787 545** or Robbie Commens Direct on **0437 257 527**.
- Installation, Establishment and Maintenance information is provided with your invoice!
- Saturday Morning Deliveries? No Worries! (*and are no extra charge*)
